

HESTON COMMUNITY SCHOOL SEND OFFER

Hounslow Schools are committed to meeting the needs of all students including those with Special Educational Needs. There is a shared expectation that all students, regardless of their specific needs, should be offered inclusive teaching which will enable them to make the best possible progress in school and ensure they feel that they are a valued member of the wider school community.

The Special Educational Needs Code of Practice 0-25 Years [2014] states that there are four broad categories of SEND which are:

- Communication and Interaction
- Cognition and Learning
- Social, emotional and mental health difficulties
- Sensory and/or physical needs

The range of support is tailored to individual needs, following a thorough assessment by School staff and external agencies. The support offered is designed to promote students' independence and resilience as learners and works in partnership with the School's Pastoral and Achievement support systems. Our School Offer provides details of the resources, interventions and support from outside agencies that we provide at Heston Community School. Due to the ever-changing needs of our students, there may be additional support available that has not been covered in this document. For further information about what we offer at Heston, please contact Miss Stone [Assistant Headteacher Inclusion/SENCO] or Mrs Cripps [Deputy SENCO/Assistant Curriculum Leader for Inclusion].

Some children/young people need increased support to access learning because:

- They have a significantly greater difficulty in learning than the majority of children of the same age
- They have barriers to learning due to early emotional or physical trauma
- They have a disability as defined under the Equality Act, which affects their ability to access and benefit from the educational opportunities generally enjoyed by children of the same age.

The purpose is to ensure that barriers are removed where possible to allow equal access. We monitor and track progress of all students so that the support provided is specifically targeted to their needs. Full engagement of parents and carers is

welcomed and, where necessary, the School seeks support and advice from external specialists.

Admissions

Students with SEND are allocated places in two separate and distinct ways:

1. Those students with Education, Health and Care Plans [EHCPs] have a separate admissions procedure overseen by the SEND team at Hounslow Borough Council
2. Those students who have SEND but do not have an EHCP are admitted via the normal school admissions process.

Additionally, schools have to provide details of the school specific offer. This is reflected in the Hounslow Authority Local Offer, which can be found at <http://fsd.hounslow.gov.uk/kb5/hounslow/fsd/localoffer.page> along with other useful information.

SEND Information Report

Our school welcomes students with Special Educational Needs and Disabilities (SEND).

Our aim is to differentiate our teaching in order to be responsive to the range of individual children's learning needs so that they can progress within the curriculum (including emotional and social development).

We aim to support learning through the arrangement of teacher-student groupings, student peer support and, where appropriate, the involvement of Teaching Assistants. In addition, we make use of a wide range of learning materials and digital equipment designed to help students respond to the challenges of learning.

We liaise with all feeder primary schools and Post-16 providers to ensure a continuity of support at key transition points.

We encourage parents to participate in supporting their children's learning at all stages through use of the school planner, consultation events and other communication.

We monitor how effective we are in supporting all students' progress and development – including those who have SEND. The detailed information is kept on the student's file and uploaded on SIMS. These records are shared and discussed with all parents/carers. This information is, in turn, used to evaluate the effectiveness of our provision map 'offer', and to enhance it, as part of the School's Improvement Plan.

The Assistant Headteacher with responsibility for Inclusion and the School's SENCO is Miss Stone. She can be contacted on 0208 572 7068 or by email on mstone@hestoncs.org. Please also copy in info@hestoncs.org.

Other key members of staff are:

Deputy SENCO/Assistant Curriculum Leader for Inclusion – Mrs Leslie Cripps

Special Educational Needs Manager – Mrs Asmah Khan

Centre for the Deaf - Mrs Kam Aujla

EAL Manager – Ms Naomi Christie

Student Welfare Manager - Mrs Sam Summerell

SEND Administrator– Ms Anne-Marie Laing

SEND Governor – Mrs Fran Hooker

In house training of teachers and teaching assistants supports our responsiveness to children's learning and other needs. This takes the form of teacher peer support; communication arrangements among staff; consultation with, and training by, our Inclusion Team, as well as training offered by the Local Authority and other agencies. All staff undertake an induction programme which includes training with the Inclusion Team to explain the systems and structures in place around the School's Inclusion provision and practice, as well as to discuss the needs of individual students.

The above support is designed within a whole-school provision mapping. It is based on student and parent/carer involvement at the level of the subject teacher, the Headteacher, a designated Governor with responsibility for Special Needs, the SENCO and the Senior Leadership Team.

If your child has a special educational need and/or disability [SEND] and your complaint concerns the support your child is receiving to help them with their SEND, then you should first raise any concerns you have with Miss Stone, the Assistant Headteacher responsible for Inclusion and the School's SENCO. She can be contacted on 0208 572 1931 or by email on info@hestoncs.org.

If you feel your complaint has not been addressed then please write a letter of complaint to the School's Headteacher, Mr Berdesha, at the address below.

If you are not happy with the School's response to your complaint, then please contact the School's Governing Body. The letter should be addressed to the Chair of Governors and emailed to CB@hestoncs.org or can be handed into Reception.

If you remain unhappy with the outcome, please Contact Hounslow SEN on sen@hounslow.gov.uk or by phone on 020 8583 2672

For more information on making a complaint about SEN support, in a school or an academy, go to www.gov.uk/complain-about-school/sen-complaints.

Where a student's needs requires it, our SENCO/SEN Manager calls on such expert help as is currently available from the Local Authority through its 'local offer' and other community and specialist services. In all instances, the school-based and additional support is planned in consultation with parents/carers and with the students themselves.

The Local Authority 'local offer' of services, and other available sources of support are published on the Hounslow Local Authority webpage:
