## **6.0 Assessment Procedures**

6.1 At Heston Community School aims to celebrate the achievements of all our students.

### **6.2 SEND Support – A Four-Part Cycle**

The identification of SEND is built into the overall approach to monitoring the progress and development of all students in school.

#### ***Assess***

Subject teachers, support staff and the SENCO, DSENCO and SEND Manager, will carry out a clear analysis of a student's needs. This assessment will be reviewed regularly. Where appropriate, outside professionals will help to inform the assessment. Parents/Carers will be asked to contribute to the assessment.

#### ***Plan***

Parents/Carers will be formally notified. Adjustments, interventions, support and review dates will be agreed with staff, parents and student. This will be recorded on the School Information System.

#### ***Do***

Subject teachers will remain responsible for working with the student on a daily basis and retain responsibility for their progress and outcomes. Subject teachers will plan and assess the impact of support and interventions with any teaching assistants or specialist staff involved. The SENCO, DSENCO and SEND Manager will support the process.

#### ***Review***

The effectiveness of the support and interventions and their impact on the student's progress will be reviewed on the agreed date. A formal 'Review' will be held with parents/carers once a year. Parents/carers will also have the opportunity to discuss progress with SEND staff on Academic Mentoring Day, Parents' Evenings, Inclusion Coffee Mornings and Inclusion Parents evenings. Additional reviews will be arranged according to need. Subject teachers, working with the SENCO, DSENCO and Inclusion Managers, will revise the support in light of the student's progress. If a student does not make expected progress over a sustained period of time the School will consider involving specialists. The School liaises with the following services: Educational

Psychology Service, School Health and SEND, Deaf support and EAL support and, where appropriate, Social Services and the Looked After Children Team.

### **6.3 Additional Top-Up Funding**

Where a student's needs exceed the nationally prescribed threshold [currently £6,000] additional funding will be applied for from the Local Authority.

### **6.4 Education, Health and Care Plans (EHCP)**

Where, despite having taken relevant and purposeful action to identify, assess and meet the SEND needs of a student and the student has not made expected progress, then the School or parents/carers may consider requesting an Education, Health and Care Assessment. The School will provide the Local Authority with evidence of the action taken as part of SEND support.

6.5 Further details on our inclusive provision for students can be found in the SEND Offer on the School Website and in our Accessibility Plan.

6.6 Heston Community School follows this graduated approach of action and intervention as outlined in the Code of Practice [2014].

6.7 School assessment data, teacher judgments and, where appropriate, assessments from outside agencies are used to identify children who require additional and/or different provision. A provision map is completed annually and outlines all SEND support.

6.8 At Heston Community School, student needs are recorded in the Inclusion File. These are met in the classroom by teachers and on occasion with additional TA support. Progress is monitored in accordance with whole school systems. However, if concerns are raised by parents/carers or staff, a review meeting is called to address the difficulties.

6.9 Students with an EHCP are provided with a Key Worker who meets with these students once a week. Individual and small group interventions are planned with the SENCO, DSENCO or Inclusion Manager and any relevant outside agencies. Targets are reviewed with parents/carers at Annual Review Meetings. The meetings are where possible chaired by the SENCO.

6.10 Those children with Top-up Funding or who have undergone statutory assessment for their high needs and have an EHCP have detailed individual costed provision plans. The additional support/resources are matched to the provision plan. The purpose is to improve outcomes for young people with high additional needs and prepare them for adulthood. Targets are reviewed with parents/carers at Review Meetings. The meetings are chaired by a member of the Inclusion Management Team.

6.11 Hearing Impaired students complete the Diagnostic Reading Analysis Test, every year to track and monitor reading progress.

## **7.0 Professional Development**

7.1 The SENCO ensures staff are informed of local and national developments in relation to SEND and Inclusion.

- 7.2 Training needs are identified and, where appropriate, outside agencies are used to deliver the training, e.g. the social and emotional aspects of learning [SEAL] training for all staff.
- 7.3 Early Career Teachers [ECT] are offered support and in school training by the Inclusion Team. New members of the Inclusion Team are inducted and trained.

## **8.0 Parent/Carer Partnership**

- 8.1 Heston Community School has a positive attitude to parents/carers and values their role in their child's education. Parents/Carers are always informed when their child is placed on the Inclusion File and the graduated response, outlined in the Code of Practice, is explained to them. They are fully involved in the review process. Interpreters are arranged for parents/carers who require translation during meetings.
- 8.2 The Year Teams at the School are proactive in supporting parents/carers in a variety of ways, including home visits, liaising with agencies, organising activities and facilitating and delivering training. They attend and contribute to the 'Review Meetings' set out in the Code of Practice.

## **9.0 Links with External Services**

- 9.1 Links with a range of external services are well established. Regular multi-agency meetings take place involving colleagues from the following services - Educational Psychology, School Health, Teaching and Support Service, Deaf Support Team and - when appropriate - Social Services and Looked After Children Team.

## **10.0 Access to the Curriculum**

- 10.1 At Heston Community School a broad, balanced and relevant curriculum is differentiated to enable all young people to access the learning. In planning and teaching, teachers aim to provide suitable learning objectives, meet the young peoples' diverse learning needs and remove the barriers to learning. For the majority of the week young people with SEND are taught with their peers in mainstream classes. However, where appropriate and in order to maximise learning, some young people are withdrawn either individually or in small groups, to take part in targeted, time-limited interventions, planned to meet particular needs. Deaf students' needs are evaluated and adjustments are made to the curriculum when needed.
- 10.2 Young people with SEND are actively encouraged and supported to join in and benefit from additional activities and clubs.

## **11.0 Student Voice**

- 11.1 At Heston Community School, the views of all students are valued. Students' questionnaires are used to gather their views on their progress three times a year. All young people with SEND are aware of their individual targets and are involved in the process of setting them.

## **12.0 Medical Conditions**

12.1 Heston Community School will follow the recommendations of the Children and Families Act 2014 with regard to arrangements to support students with medical conditions. Where a student also has SEND, their provision will be planned and delivered in a coordinated way with their Healthcare Plan.

12.2 Heston Community School has a secure medicine cabinet where medicines can be safely stored with the permission of the parent/carer. Where necessary, students are supervised to take medication in school by appropriately trained staff.

### **13.0 Admission Arrangements**

13.1 The School has adopted the criteria set out in the LA's Admission Policy. The School welcomes children with known special educational needs, as well as identifying and providing for those not previously identified as having SEND.

13.2 Admissions interviews with EAL students are attended by a member of the EAL Team.

### **14.0 Transition Arrangements**

14.1 At Heston Community School transition is carefully planned at KS2-KS3, KS3-KS4 and Post 16 in order to ensure successful transitions. Students and parents/carers will be fully involved in the planning for the transfer to a new setting and key information about SEND provision will be shared with other providers.

14.2 In Year 7, the School has a small group of students who are facing particular barriers to learning, particularly in literacy and numeracy at this stage in their learning. They are allocated two additional Literacy lessons and one additional Numeracy lesson to support their development.

14.3 There is ongoing transition of EAL students throughout the year to help them settle into School and life in the UK.

### **15.0 Monitoring and Evaluating the Success of Provision:**

15.1 A variety of methods are used to monitor and evaluate the provision and achievements for all students, particularly those with SEND:

- Regular observation of teaching
- Analysis of assessment data shows expected progress is in line with their targets between Key Stage 2 and 4 for all students. However, adjustments will be made in line with their outcomes if they have an EHCP. Students without these but with delayed learning or other issues that affect their learning may also have targets adjusted.
- Assessment records that illustrate progress over time, e.g. reading scores
- CAT4 Testing for all incoming Year 7 students to assesses their cognitive levels in order to make sure teaching styles match their needs to maximise progression
- Pre - and post - assessments for those students who are withdrawn for targeted interventions
- Success rates in respect of individual targets
- Monitoring by the governor with responsibility for SEND
- The views of parents/carers and students
- Provision Mapping – used as a basis for monitoring the impact of interventions

- Case studies to evaluate strengths and weakness with regard to intervention and progress. They are used to review and see how things can be improved
- Initial EAL assessments & re-assessments are carried out termly. All EAL stages are recorded, tracked and monitored closely.
