Online Orders:

This service is recommended for parents who know their child's size. **Please place your order latest by 20th August to ensure you receive your uniform before the school starts.** We cannot guarantee any orders placed after this date due to stock availability and any delays or disruptions caused by the courier company.

Walk-In Customers:

Our store is extremely busy during the last few weeks before school starts, also we might run out of stock on some sizes. Therefore, please visit our store early to avoid this situation and long waiting times due to queues.
